Student employee Video Registration

Tilburg University | 2017 – 2019

- Filming lectures
- Working as stand-by at the IT department at Tilburg University

Study/Courses Promotion TiSEM

Tilburg University | 2017 – 2019

- Giving presentations to high school students about all the economically related study programs Tilburg University has to offer.
- Received training in speaking in front of big crowds, in English and Dutch

Profile

An active student. Eager to learn more. Very neat and works structured.

These are a few sort sentences which would describe me. I am a student who tries to develop myself everyday even more besides my study program. Because of this and my other qualities, I think I would be a suitable, flexible, motivated and enthusiastic addition to a company
